### **REASONS FOR ALLOWANCE**

The following is an Examiner's Statement of Reasons for Allowance:

Any comments considered necessary by applicant must be submitted no later than the Payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

The references of record do not anticipate, suggest or motivate one or ordinary skilled in the art to administer a nattokinase composition for treating a patient in need of the nattokinase whereby the composition contains less than 1 ug of Vitamin K2/g of the composition. The references fail to recognize the advantages of removing the Vitamin K2 prior to administering the nattokinase compositions. Thus, the methods of treating a patient with the compositions are allowable over the prior art.
